Make Your Story Count

FOR STUDENTS & FRESHERS

# Placement season? Make a resume recruiters actually read.

Professional, ATS-friendly resumes in minutes, for engineering, diploma, degree, MBA and every other student.

## EVERYTHING A GOOD RESUME NEEDS

### ATS check and score
See how applicant tracking systems read your resume, and what to fix.

### Match a job
Paste a job post and find the keywords your resume is missing.

### 13 professional templates
Clean designs for freshers and experienced people. Your colours.

### PDF & Word download
Download a polished file, or share one link that is always up to date.

### One page or two
Fits your resume to the length you choose, automatically.

### Import your old resume
Bring in a PDF or Word file and start from what you already have.

## READY IN THREE STEPS

1. **Sign up free**
   Scan the code, use your email.
2. **Pick a template**
   Fill in your details, with tips as you go.
3. **Download & apply**
   PDF, Word or a link for recruiters.

## Scan to make your resume. Free to start.
